Shawn Shao, Quality Manager

Kara Dai, Logistic Manager

So You Already Have a Source or Presence In China?

- Not surprising, we are living in a global economy
- Just because you have offices in China or have a supplier there, it doesn't mean you have the BEST SUPPLIER or the BEST SOLUTION
- Anfan has major customers that already have offices in China
 - We work with those local offices as necessary
 - Those local offices audit our Anfan factories;
- Mike An has been sourcing components for US customers for 17 years
- We have our own certified factories supplying parts to US companies continually
- It costs nothing to explore an Anfan solution
- Let us show you what we can do for you

More **ANFAN** Advantages

- US “Smart” Warehousing
 - Centrally Located, Edgerton, KS
 - Allows Customer Portal To Monitor Your Inventory
 - Ship From Stock “Just in Time”
- Pricing Quoted FOB Your Plant
 - No Additional Fees, tariffs, taxes, etc.
- Small, Medium and Large Volume RFQ’s welcome
- Low Tooling Costs
- Fast Prototyping
- Local US Sales Representation
- Anfan President, Mike An, Visits US Customers Several Times Per Year

WHEELS AND TIRES

Item No / Codice numero / Номер единицы : SM1016

S/N	Part No.	Part name			Qty.
		English	Italian	Русский	
1	M8	nut	dado	гайка	12
2	SM1020	plastic cover	guscio in plastica	Пластиковая крышка	1
3	SM1017	tire	gomma	шина	1
4	SM1005	washer	tondella	шайба	2
5	5203KPP2	PEER bearing	PEER cuscinetto	PEER Подшипник	1
6	SM1019	steel cover	guscio in ferro	Стальная крышка	1
7	M8x35	bolt	vite	Болт	8
8	M8x25	bolt	vite	Болт	4

Size / dimensione / размер : 115x400 (4.5x16")
 Mounting hole / Foro di accoppiamento / монтажное отверстие : 16.25 (0.64")

- Patented sealing design, perfect antiproof performance
- Guarnizione brevettata
- Патентованный дизайн прокладки, идеальная защита

Closing Wheel Features

- Unique rubber formulas and tire production process provides wear resistance and strong tear resistance, then longer life time.
- High quality engineering plastic cover with glass fiber inside, reinforced rib design, withstands bigger impact, more strength and age resistance.
- PEER bearings inside, 3-lips, even 6-lips seals to ensure longer bearing life and reliable dustproof performance.
- Dustproof washer with rubber lip, better sealing and protection for the bearings.

**Spung pulleys for AG
Equipment and Mowers;
John Deere and Toro;**

PRODUCTS OVERVIEW

- Crank shaft pulleys**
- Water pump pulleys**
- Fan pulleys**
- Power steering pulleys**

PRODUCTS OVERVIEW

ANFAN

ANFAN

Rod Ends

Link Rods

ROLLER AND SPECIAL BEARING

Product ---- Train brake system stainless steel bearing

ANFAN

Product ---- Special shaped bearing

Product ---- Special shaped bearing

Bushings, Shafts, Pistons and Pins

Machined Parts

Product ---- Machining parts for SKF

Automobile hub shaft

Truck traction pin

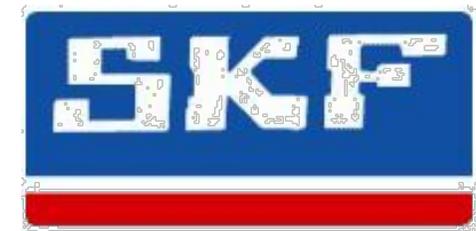

Automobile hub

Bearing ring

Automobile flange

Machined Parts for Emerson,
BorgWarner, Hydac;

Casting Products

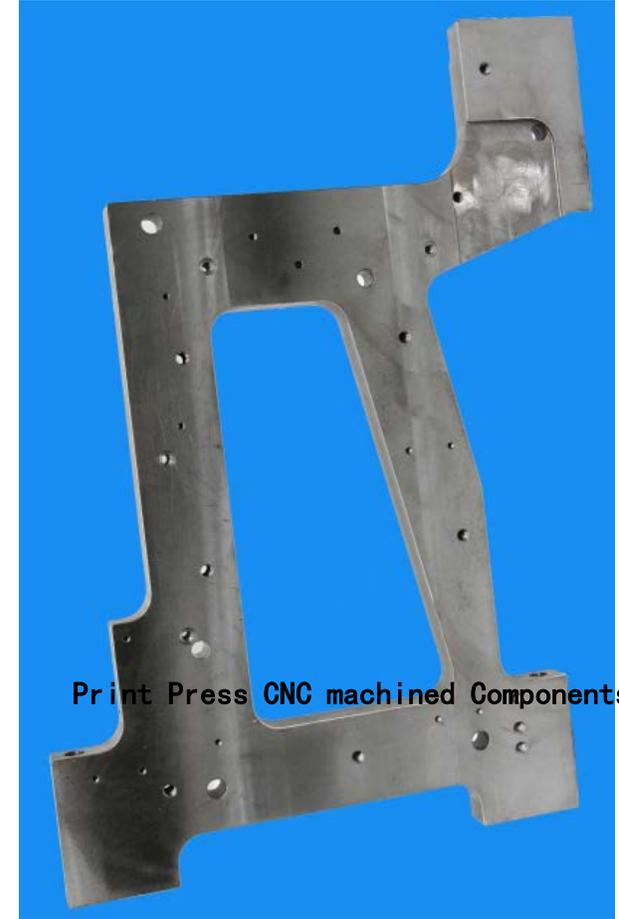

ANFAN

SPX Cooling Tower Gearbox parts

TOYOTA Folklift parts

Print Press CNC machined Components

Isolators for HVAC /Equipment Base

ANFAN

Assemblies for Mower

Assemblies
