

**UL CERTIFIED HARDWARE**

Sierra Pacific Engineering and Products (SPEP) offers a variety of industrial hardware pre-certified by Underwriters Laboratories (UL). Using SPEP's UL Listed conduit hole seals and UL Recognized quarter turn latches, defeater handles, and gasket seals provides peace of mind that parts will function as intended and saves you the added costs and hassles of getting them approved on your own. Contact us today for support with your next UL Rated project.
